

GIVE AMAZING AN OPPORTUNITY!

GIVE THE CLUB EXPERIENCE

The image features a central collage of gift cards and decorative elements. At the top left is a dark blue gift card with a red ribbon and a red bow, offering \$500 for homework help and tutoring. To its right are two smaller gift cards: a yellow one with a red bow and a blue one with a white bow. Below these are several patterned boxes: a yellow one with white dots, a blue one with the Boys & Girls Clubs logo, and a red one with white text. In the bottom left is a dark blue gift card for \$50 for day camp. In the bottom center is a red gift card for \$25 for an art class. To the right of the \$25 card is a dark blue box with the word 'JOY' in white. The background is light blue, and the bottom of the image shows the hands and skirt of a girl in a pink tutu.
